Custom Paint Finish Colors

Premium and Premium Plus finishes are also available in custom colors, with color matching available upon request. Premium Plus is also offered as either a two-coat or three-coat Kynar finish.

Exotic Metallic (Kynar) | 70% PVDF (AAMA 2605)..... 10-year warranty

This three-coat Kynar finish meets AAMA 2605 and has the same performance as the Premium Plus options. The Exotic Metallic finish comes with a ten-year standard warranty.

Anodized Finishes

Anodized Finishes | Class II (204), Class I (215), and color..... 1 or 5-year warranty

Kingspan Light + Air offers anodized finishes: clear anodized, bronze anodized, and black anodized. The anodized finishes come with a one-year standard warranty, with an option for a five-year extended warranty. The bronze and black anodized finishes can be matched with all types of Kingspan Light + Air's paint finishes.

The colors shown are not exact and may vary slightly from the actual colors. Physical samples on aluminum substrates are available for final color selection. For exact colors, please contact us at 1.800.759.6985. Slight color variation can be expected in production. Color options are also subject to change. Please contact Kingspan Light + Air to confirm availability.
